

**Eighth NASA Goddard Space Flight Center
Conference on Mass Storage Systems and Technologies**
in cooperation with
Seventeenth IEEE Symposium on Mass Storage Systems

March 27 - 30, 2000

Program Committee Members:

Ben Kobler, NASA Goddard Space Flight Center (Program Committee Chair)
Jean-Jacques Bedet, Raytheon ITSS
John Berbert, NASA Goddard Space Flight Center
Bill Callicott, Consultant
Robert Chadduck, National Archives and Records Administration
Bob Coyne, IBM
Jim Finlayson, Department of Defense
Gene Harano, National Center for Atmospheric Research
P C Hariharan, Systems Engineering and Security, Inc.
John Jensen, National Oceanic and Atmospheric Administration
Theodore Johnson, AT&T Labs-Research
Merritt Jones, MITRE
Gary Lee, Los Alamos National Laboratory
Ethan Miller, University of Maryland, Baltimore County
Reagan Moore, San Diego Supercomputing Center
Matthew O'Keefe, University of Minnesota
Bruce Rosen, National Institute of Standards and Technology
Don Sawyer, NASA Goddard Space Flight Center
Rodney Van Meter, Network Alchemy
